

Instructions for BLENDED LEARNING FRIDAY, FEBRUARY 7th, 2014

- 1) If I am your mentor, and you are to meet with me for mentorship, it's cancelled, and I will notify you when we can do a catch-up session.

- 2) Now for today's task. First of all, you were to have met **AT THE BEGINNING OF CLASS ON THURSDAY, FEBRUARY 6TH (10:30-10:45), and do the following:**
 - a. Have read the group list located at the bottom of this form.
 - b. Figure out the group you are in, come to class, meet your group members and introduce yourselves.
 - c. Discuss when would it be a good time to meet on Friday to do the ENG4U JEOPARDY game.
 - d. Unless one of your group members is willing to use their computer, please meet in one of the computer labs to play the game with one another.
 - e. Once you decide on a **HALF HOUR PERIOD you can all meet at**, please go to the following website:
<http://www.supersaas.com/schedule/mrsultanrana/BlendedLearning>
and click on a time slot that you all agreed on. If someone is already in your time slot, then just place it before or after and write in the notes about what time you are meeting. Please put your **GROUP'S NAME** in the spot where it says name.

- 3) **Game Day (Friday at whatever time you agreed to meet at)**
 - a. There is a video explaining how the game is to be played, and what you need to do in order to prepare for it.
 - b. When you meet with your group members, someone should have the file open labeled JEOPARDYANSWERSUBMISSIONS.xlsx, recording everyone's answer (on another computer).
 - c. When everyone is finished the game, take a *selfie* of your group sitting together near the computer with the Jeopardy board on the screen. Send it to me on Cel.ly. Once I get that picture, I will reply back with the file that will give you all the answers for the questions. Then I would like someone to text me back the winner of your group, and what their score was. **Only one person needs to send me your group's selfie pic.**
